Dear Supporter,

Happy spring! We hope you have been enjoying the warmer weather and taking some time to get outside! As the days grow longer and the flowers start to bloom, there's no better time to soak up the sunshine.

Call to Photographers - Instagram Takeover!

We are excited to announce our upcoming Instagram takeover this spring and we are inviting local photographers to be a part of it! We want to showcase the stunning landscapes, wildlife, and natural wonders that Newfoundland and Labrador have to offer through the lens of talented photographers like you!

During our Instagram takeover, we will feature the work of local photographers on [our Instagram account](#), providing exposure and recognition for your artistry.

If you are interested in participating, or have any questions, please send us a direct message on Instagram with your portfolio or email us at [csmmons@cpaws.org](mailto:csimmons@cpaws.org) with a few examples of what you would like to share. We will review all submissions and select a handful of photographers to take over our [Instagram account](#) and share their own photos. We encourage photographers of all skill levels and backgrounds to apply.

Thank you for your interest and we look forward to seeing your submissions!
