## Nunatsiavut Government and Government of Canada Make Progress on Labrador Inuit Protected Area

The Nunatsiavut Government and Parks Canada announced the successful completion of a feasibility assessment for establishing an Inuit Protected Area adjacent to Torngat Mountains National Park, as a part of [Imappivut](#), that deemed the establishment of a new Inuit Protected Area in northern Labrador as **both feasible and desired**. Congratulations to the [Nunatsiavut Government](#) and [Parks Canada](#) for their significant work in completing this crucial step towards protection! By completing this assessment, they have laid the groundwork for creating a protected area that ensures the sustainable management of marine and coastal areas in accordance with Inuit knowledge and culture.

## Events Recap

These past few weeks have been full of events! We ended February off in Conne River and St. Alban's discussing whales and turtles with Whale Release and Strandings! Getting to know our local marine species from the inside out was a great way to learn about and protect species at risk in Newfoundland and Labrador. Thank you to everyone who came out and participated!

CPAWS NL had the pleasure of co-hosting two fantastic evenings at [The Arbour Restaurant and Lounge](#) alongside CWS-ECCC. We organized a conservation-themed trivia night and an open house to discuss upcoming conservation initiatives in the area! A big thank you to all who participated, testing their knowledge and supporting environmental conservation efforts. Keep an eye out for upcoming events and opportunities to engage!

CPAWS NL also had a booth set up at MUN! Visitors had the opportunity to learn more about our conservation efforts and how they could get involved in protecting our environment. If you missed it and are interested in volunteering or joining our board, don't worry - you can email us at [csimmons@cpaws.org](mailto:csimmons@cpaws.org)!

As always, feel free to reach out with any questions that you may have. For information on how to [volunteer](#) or make a [donation](#) visit our website at [cpawsnl.org](http://cpawsnl.org)!
